

## Modular 500ml / 1000ml Liquid Hand Sanitiser Dispenser

### Product Features:

- Dispenses liquid (2ml shot size)
- Suitable for most liquid sanitisation products on the market
- Front window to check stock levels
- Cover & Backplate: Transparent PET & ABS

This multi purpose unit has a hand push operation with a refillable reservoir for liquid hand sanitiser products. It is ideal for dispensing our liquid hand sanitizer as it emits an atomiser like spray rather than a jet.

With a 500ml or 1000ml capacity, this liquid wall dispenser is ideal for commercial use and the 500ml size is perfect for use within restricted places. The dispenser features top quality ABS moulded parts and an automatically locking cover.
