

Datasheet | HandStand

Product Features:

- Dispenses liquid (2ml shot size)
- Contact free solution, simply press foot onto the bottom pump.
- Robust powder coated steel material
- Easy to refill sanitiser product

Introducing the Fluid Science Hand Stand, a convenient non touch solution to safely sanitise hands. This product allows the operator to simply press their foot on the bottom pump, which dispenses a shot of sanitiser liquid.

Included is a durable dispenser cap and 1L bottle of our eco-friendly anti-bacterial hand sanitiser, which kills 99.999% of bacteria on the hands. To top up your supply of Hand Sanitiser, simply order online or give us a call.
